

## **QUALITY POLICY**

The Executive Management of CGI Creative Graphics International Limited have a policy of continual improvement. This policy recognises the benefits of operating our business in compliance with the requirements of ISO 9001 : 2015.

It is the Chief Executive's wish to ensure that the Company complies with and fully embraces the spirit and the requirements of ISO 9001: 2015. We will constantly strive towards improving our product and service not only to meet but to exceed the expectations of our customers. We will actively pursue programmes that examine and identify risk factors both to product, service and the company's objectives and strategy.

Our aim is to always ensure our employees are trained and given every encouragement to enable them to do their job right the first time and every time.

The Executive Management will regularly review the quality and business objectives to ensure that these are being followed and worked towards giving us the maximum potential with our customers.

We will observe all other company policies and encourage everyone to work together to improve operating efficiency, minimise wastage, improve profitability and to share in improvements that benefit us and our customers.

This policy statement is to be reviewed for continuing suitability and shall be communicated to, understood and followed by all personnel at all levels in the business.
